St. Martins Business Park, Bells Lane, Zeals, Wiltshire, BA12 6LY, UK

Tel: +44 (0) 1747 840900 - E mail: sales@consolite.co.uk

Certified to ISO9001:2015

Part Number CTL-951-xxx

Navigation light system console

Features

- Complete control system housed in a single unit
- Primary and secondary power supply
- Touchscreen for control of lighting
- Manual override for redundancy
- Sacrificial panel for addition of auxiliary control gear
- Ingress protection to IP44
- CO₂ inlet for firefighting
- Fully customisable – XXX allows unique part numbering for each configuration

Options

- 24VDC, 115vac or 230vac
- IP67 available
- Custom cable entry plate
- Programmable software
- Custom mimics
- Safe Return To Port module

For use with Consolite Navigation Lights CTL-9xx

Consolite is a long-established leader in night vision lighting for military platforms, designing and manufacturing lighting systems for NVGs for over 25 years, including lighting for aircraft, ships and ground use.

Consolite's design facility permits the calculation of lighting requirements for spaces from a single compartment to an entire ship.

Consolite's test facility includes the latest equipment required for testing night vision compliance to any relevant standard plus goniophotometric equipment for full 360 degree light characterisation of luminaire output.
